

## **EVS VACANCIES 2016/2017**

### **FREE EVS PLACES IN OUR ORGANISATION**

### **EVS PROJECT FOR THE DEADLINE 26.4.2016**

#### **1. PROFILE 1: SPORTING ACTIVITIES**

**01.09.2016 – 31.8.2017**

We prefer a male for this profile.

Regular activities of sport profile are preparation, organisation and realisation activities in sport hobby groups (florball, tennis, ...) and sport events (tournaments, competitions, ...). Irregular activities are stay programs for schools (teamwork, adaptation program, ...), camps (sporting camps, camps for teenagers, ...). These activities include 60% of total EVS activity.

Other activities common for all volunteers including 40% of total EVS activity.

Promote the idea of an European awareness in the region of Ivancice, learn Czech language, create own miniprojects, create and update websides of EVS, organise presentations in schools and for public, participate in informal educational activities of SVC Ivancice, bring new ideas to the activity of SVC Ivancice and exchange of experience, create media spots/films, help with the promotion and decoration of the building SVC, surrounding area and grown garden, engage in intercultural programs and activities with other EVS volunteers, learn to write projects, realise conversational lessons in mother tongue, engage in activities in cooperation with other centres for leisure time activities (maximum one day in a week).

#### **2. PROFILE 2: CREATIVE ACTIVITIES**

**01.09.2016 – 31.8.2017**

We prefer a female for this profile.

Regular activities of creative profile are preparation, organisation and realisation activities in creative hobby groups (creative workshops, ceramics, ...). Irregular activities are public events, programs for schools and camps, production of gift and promotional subjects, help with the decoration of the public events, help with decoration of the building SVC Ivancice, surrounding area and grown garden. These activities include 60% of total EVS activity.

Other activities common for all volunteers including 40% of total EVS activity.

Promote the idea of an European awareness in the region of Ivancice, learn Czech language, create own miniprojects, create and update websides of EVS, organise presentations in schools and for public,

participate in informal educational activities of SVC Ivancice, bring new ideas to the activity of SVC Ivancice and exchange of experience, create media spots/films, help with the promotion and decoration of the building SVC, surrounding area and grown garden, engage in intercultural programs and activities with other EVS volunteers, learn to write projects , realise conversational lessons in mother tongue, engage in activities in cooperation with other centres for leisure time activities (maximum one day in a week).

### **LEARNING OPPORTUNITIES**

The volunteer learn to work in a team of workers, youth, children and adults, learn different working methods on the field of the pedagogical and social work, communicate and exchange experience with other volunteers and workers from our organization, recognize the Czech language, culture and way of living, gain new competences, create complex programs of preparation and realisation of leisure time activities, gain individual responsibility, get the ability to reflect own behaviour and those of other people.

### **PROFILE OF VOLUNTEER**

We want to host young people who are opened to cooperation and want to learn to work with children, youth and adult.

### **RECRUITMENT PROCESS**

We will choose among the volunteers on the bases of their CV, motivation letters and application form. The profile and interests of the volunteer could comply with our project needs.
